

## Product Specifications

### Compound Information

|                                   |             |                    |                                   |   |
|-----------------------------------|-------------|--------------------|-----------------------------------|---|
| Product Name:4-氰基苯硼酸              |             |                    |                                   |  |
| EN Name:4-Cyanophenylboronic acid |             |                    |                                   |   |
| Product No:                       | C27690      | Molecular Formula: | C <sub>7</sub> H <sub>7</sub> BNO |   |
| CAS:                              | 126747-14-6 | Molecular Weight:  | 146.94                            |   |

### Quality Control Information

|            |              |
|------------|--------------|
| Test:      | Norm:        |
| Appearance | White powder |
| Purity     | 98%          |
