

## Product Specifications

Structure:

|         |                     |        |
|---------|---------------------|--------|
| Name    | 氧化钌                 | O=Ru=O |
| EN Name | Ruthenium(IV) oxide |        |
| Catalog | R17400              |        |
| CAS     | 12036-10-1          |        |
| M.F.    | O <sub>2</sub> Ru   |        |
| M.W.    | 133.07              |        |

| Test       | Norm                      |
|------------|---------------------------|
| Assay      | ≥99.9%                    |
| Appearance | Blue-black to black solid |

Shanghai Acmec Biochemical Co,Ltd.
