

## Product Specifications

### Compound Information

|  |            |   |                                   |
|--|------------|---|-----------------------------------|
| Product Name: 4-胺甲基苯甲醇                   |            |  |                                   |
| EN Name: [4-(aminomethyl)phenyl]methanol |            |   |                                   |
| Product No:                              | A79030     | Molecular Formula:  | C <sub>8</sub> H <sub>11</sub> NO |
| CAS:                                     | 39895-56-2 | Molecular Weight:   | 137.18                            |

### Quality Control Information

|            |                       |
|------------|-----------------------|
| Test:      | Norm:                 |
| Appearance | White powder          |
| Purity     | 95%                   |
| Structure  | Conforms to structure |
