

## Product Specifications

### Compound Information

|                     |           |   |  |                    |                             |
|---------------------|-----------|---|--|--------------------|-----------------------------|
| Product Name: 万古霉素  |           |  |  |                    |                             |
| EN Name: Vancomycin |           |   |  |                    |                             |
| Product No:         | V76064    |   |  | Molecular Formula: | $C_{66}H_{75}Cl_2N_9O_{24}$ |
| CAS:                | 1404-90-6 |   |  | Molecular Weight:  | 1449.25                     |

### Quality Control Information

|            |                                 |
|------------|---------------------------------|
| Test:      | Norm:                           |
| Appearance | White to pink solid             |
| Assay      | $\geq 950\mu\text{g}/\text{mg}$ |
